Speaker: Pete Tim Hastings, Chief Information Security Officer for the State of Utah.

Topic: The Top 5 Things Every CISO Should Be Thinking About Now

Speaker Bio: Prior to working at the State, Tim worked as a Senior Manager in Deloitte & Touche's AERS Advisory practice assessing and developing information technology, security and privacy processes and controls. Tim specialized in security risk and compliance, working with clients to build robust security management programs aimed at achieving compliance, reducing risk, and providing maximum enterprise value.
