

ISSA Spring Learning and Networking Event

The ISSA International - Utah Chapter, is happy to announce its Spring Learning and Networking event will be the Red Sky Solutions 2018 IT Security Conference, May 16-17 in Sandy, UT. Red Sky has lined up a number of cybersecurity thought leaders for breakout speaking sessions and expert discussion panels that we know you will want to learn from and be a part of.

Regular price for a conference ticket is \$99 per person but Red Sky is extending to ISSA International - Utah Chapter Members **no charge** tickets. Please use promotion code – **redskyissa18** – when you register at:

<https://www.goredsky.com/rssc2018/>

**** Register soon – there is a limited number of no charge passes being offered ****

This 2-day conference has educational tracks, expert speakers, security sessions, vendors, and a **hacker pavilion**. CPE credits will be available for some of the sessions.

A partial list of Speakers and their discussion topics:

Keynotes:

[Frank Abagnale](#) - Renowned Cybersecurity and Fraud Prevention Expert, Bestselling Author & Subject of "[Catch Me If You Can](#)"
